Student Debt Clinics

🛒 www.aft.org/debtclinic

As a union, we are fighting to make college affordable and student debt manageable. We maintain www.forgivemystudentdebt.org as a resource for members who need to learn the landscape of free and underused federal programs that help many student loan borrowers lower their monthly payments and, in some cases, even have their debt forgiven.

For affiliates that want to take on student debt as a way to engage members and fight forward on college costs, we also offer 90-minute student debt clinics where we lay out these programs in detail. AFT Student Debt Clinics get members active not only handling their own debt, but fighting student debt politically. We can train your members or staff to run these clinics, too. For debt clinic information, contact us at debtclinic@aft.org.
